

Gold #3

Complete four of the following criteria from the Changing the Scene Program (Gold #3A-#3I).

Definition: *Changing the Scene - Improving the School Nutrition Environment* is a program that helps schools make changes to their nutrition environment. The program includes a variety of tools for individual schools to raise awareness and address school environment issues that influence students' eating and physical activity practices. **We encourage your school to order the free kit to help you implement four of the *Changing the Scene* suggestions.**
